

## 64 - Oceana County

### 2018 MILLAGE REDUCTION FRACTION COMPUTATION

**INSTRUCTIONS:** This form is to be completed by the county equalization director for all taxing jurisdictions which levy a property tax in their county. This form is to be filed with each unit of local government and with the State Tax Commission. Also provide a copy of this form to the equalization director of each county which shares an intercounty taxing jurisdiction.

On this initial computation form the 2018 millage reduction fraction (MRF) can be calculated only for taxing jurisdictions located exclusively within a single county. This will include the county unit as well as all townships and nearly every city and village. The MRF for a school district which is not fractional with any other county can also be calculated and listed on this form.

For any taxing jurisdiction which extends into one or more other counties, leave the MRF column blank and enter the notation "IC" for intercounty.
