No public comments on agenda items at this time.

Dr. Sobie requested consideration of a proposed resolution amending the Fiscal Year 2021 General Fund budget to provide matching funds for updating the County's Hazard Mitigation Plan. He noted that it's been almost two years since the Board initially approved matching funding for this project. The pandemic slowed the Federal Emergency Management Agency (FEMA) approval of the West Michigan Shoreline Regional Development Commission (WMSRDC) application to perform this plan update for the County. This plan requires updating every five years. WMSRDC has started an initiative, on behalf of all counties, however, to extend the term to seven or even ten years.

There were no public comments at this time.

There being no further business to discuss, Chairperson Beggs adjourned the Law and Safety Committee meeting at 10:12 a.m.

Respectfully,

Melanie A. Coon
Oceana County Chief Deputy Clerk
