### **What is the Oceana County Master Plan?**

- An advisory document rooted in input from the public and the strategic vision of the Oceana County Board of Commissioners.
- A vision for the character and development of Oceana County 10-20 years into the future.
- A factbook to promote virtues and characteristics of Oceana County.

### **Why maintain a master plan?**

- To promote public health, safety, and welfare through coordinated land use planning.
- To foster a collaborative atmosphere and goodwill between the county, local communities, businesses, and residents.

### **Who is involved?**

- The Oceana County Planning Commission is leading the effort with assistance from the West Michigan Shoreline Regional Development Commission.
