A representative from the VA will be doing an informational event in the Annex bldg. classroom on Friday August 11, 2023. See attached flyer and please take to post somewhere, we need to get the word out.

Chairs ordered and approved for office are still broken (both of them). To get new chairs would cost about 200 more a piece for Dani and I. Duane from Integrity is working on this matter and does not want to order from the previous company due to quality.

### **Budget and Finance Committee**

TB provided the committee members with a worksheet of current line items being used.

### **Community Relations**

### **Old Business**

Current vehicle search is ongoing. ED has looked at a few different vehicles and determined that the prices being asked were too high for the product.

A walk through was done on the proposed building for purchase. The initial inspection found that the building was in decent condition. There would be a need to have some improvements completed, such as egress windows etc.

### **New Business**

July 15<sup>th</sup> is the Dune golf outing. There are sponsorships available to have veterans play. Currently there are no committee members that will be able to play.
