FIRE DEPARTMENT OPERATING MILLAGE RENEWAL PROPOSITION

Shall the previous voted increase in the Township of Shelby tax rate limitation imposed under Article IX, Sec. 6 of the Michigan Constitution of general *ad valorem* taxes, currently 0.9852 mill (\$0.9852 per \$1,000 of taxable value), be renewed and levied in the years 2024 through 2033 inclusive, and shall an additional 0.0148 mill (\$0.0148 per \$1,000 of taxable value) be approved and levied to restore previous millage reductions under the "Headlee Amendment" since this millage was last approved, resulting in the levy of 1.0 mill (1.00 per \$1,000 of taxable value), subject to reduction as provided by law, on taxable property in the Township of Shelby?

The purpose of this levy is to provide fire protection services including, but not limited to, the acquisition, operation and maintenance of fire equipment for the Shelby-Benona Fire District. It is estimated that a levy of 1.0 mill would provide revenue of \$127,023 in 2024, of which \$1,880 would result from additional 0.0148 mill. The revenue from this millage will be disbursed to the Shelby-Benona Fire District.
